Dinner Meeting:

December Dinner Meeting, Wednesday December 5th, 7:00 PM, at the Legion. (Basil's will cater again!) King Lion Joe Shea requests that dress be business casual. We hope to have the winners of the Peace Poster contest and we will be visited by Lion Ned Merrick of the Plainville Lions who is candidate for Vice District Governor. It will be a fun and informative evening with a great meal. See you there.

Recent/Upcoming Club Activities:

Lions Make it a Big Deal at First Annual Poker Tournament

Under the leadership of Vice-Presidents Scott Colwell and Dick Guilmette, the Medfield Lions Club held their first Poker Tournament on Friday night October 19th. The event was a big success and the groundwork has now been laid for an annual event. Players came from all around the greater Boston area. Many of the players commented that they had a great evening and encouraged us to do it again. The final tally is not in, but we expect to have raised about \$1,500 for our charities. Lions Carol Mayer, JoAnn Kunz, and Tom Sweeney took over kitchen duties and turned out hearty munchies for the players. Lion Ken Prager had a busy night handling the "bank". Many other club members were on hand to sell raffle tickets and chip in wherever needed. More details at November Dinner Meeting.

Christmas Trees Well it's hard to believe but we've ordered our 2007 Christmas Trees from our friends in Nova Scotia. We will miss Bob Hirtle getting our shifts all lined up, but we thank Leo Surette for taking over. Trees will arrive during the last week of November, so stay tuned for requests to help unload the truck. Breakout the winter gear and get ready to get into the spirit at our club's premier fundraiser.

Seniors Christmas Party: Lion Ken Heavy is chairing this December 9th Sunday holiday favorite. Signup for event at December Meeting.

The Streak Continues: Former Medfield Lion and now Chatham Lion Bob Hirtle reports that in the first raffle at his new club, he pulled his own ticket. At his second meeting, he won again!

MVP Trophy Awarded: King Lion Joe Shea presented the Medfield Lions Club Thanksgiving MVP trophy to Marc Hostovsky of Medfield High School.

New Flagpole Dedication: The town's new flagpole was dedicated at a Veteran's Day ceremony at Baxter Park. Several Lions played key roles in this restoring this important town memorial. Lion Eric O'Brien was a key financial supporter and his firm provided the installation of the new flagpoles and landscaping. Other Lions involved in the ceremony included Harry Mitchell, Jane Ready, Tom Sweeney and Tony Centore among others. Well done one

New Web Site Our resident computer guru Ron Gustavson is in the process of developing a new Medfield Lions Web site at <http://medfieldlions.org/>, Check it out.
